Just when

The best things in life are nearest:  
Breath in your nostrils, light in your  
eyes, flowers at your feet, duties at  
your hand, the path of right just  
before you. Then do not grasp at the  
stars, but do life's plain, common  
work as it comes, certain that daily  
duties and daily bread are the  
sweetest things in life.

—Robert Louis Stevenson

You should always learn, with life comes wisdom and with wisdom comes the courage to live your life selflessly. The more you learn about yourself and the experiences surrounding your life the more opportunities you have to make your life better and more fulfilling.

# Senior Class 2004

You are educated. Your certification is in your degree. You may think of it as the ticket to the good life. Let me ask you to think of an alternative. Think of it as your ticket to change the world. ~Tom Brokaw

Sooner or later we all discover that the important moments in life are not the advertised ones, not the birthdays, the graduations, the weddings, not the great goals achieved. The real milestones are less prepossessing. They come to the door of memory unannounced, stray dogs that amble in, sniff around a bit and simply never leave. Our lives are measured by these

# Prayer Said Before Finals

Now I Lay Me  
Down to Study,  
I Pray the Lord I  
Won't Go Nutty.

If I Should Fail to  
Learn this Junk,  
I Pray the Lord  
I Will Not Flunk.

But If I Do,  
Don't Pity Me at All,  
Just Lay My Bones  
In the Study Hall.

Tell My Prof  
I Did My Best,  
Then Pile My  
Books upon My Chest.

Now I Lay Me  
Down to Rest,  
And Pray I'll Pass  
Tomorrow's Test.

If I Should Die Before I Wake,  
That's One less Test I'll Have to  
Take.

## **EDITOR'S NOTES**

**Finally its finished! I accepted a challenge and now it is complete. This yearbook is dedicated to all of St. Andrews. It's been hell at times, but in the end it was worth it.**

**I'd like to thank every student that submitted their personal pictures, and trusted my in returning them at some point.**

**Rodina Greene- You appeared out of no where when I needed the most help. I thank you for the long cold days and nights you spend working on this yearbook. You deserve as much credit in this book as me. Your work ethics is second to none, keep it up and you will always be successful in life.  
An Individuals character is truely portrayed when another being is in need of aid. You are a True friend and I thank you for that.**

**Melissa Hopkins- What a great boss to have, you gave me the full autonomy and the creative freedom to visualize this book. You saved me many times with the publishing company.**

**Marilynn Greene- My second boss, but more of my technical savior, thank you for your technical support when I lacked the mental capacity to understand the computer language.**

**Kirsten Gallagher- My money bank, thank's for trusting me with all that money. For provinding me with all the "pictures" I needed from SAU events and a few other ones.**

**Kim Makahilahila and David Miyamoto- To the Truest of friends. Thanks for the advices you gave when I asked, for going out in the freezing rain and taking head shots for me late at night.**

**Barbie Wooten and Amanda Steinback for your help in selecting pictures.**

**Cynthia Robinson- Thank you for trusting me, in insuring to deliver a product for this 2003-2004 year. I thank you for all the administrative support you provided when things needed to start rolling.**

**Ronney Coffman- Thank's for letting me go on your computer and retrieving all the pictures that I could possible want and need. Especially those difficult ones. I wish you good health.**

**Everyone in Computer Services thank you for all the help you guys did for me. I know you guys must of hated seeing me everytime I requested your technical support. Thanks for your assistance.**

**To the faculty and staff thank you for you cooporation.**

**Coach Steven Hernandez for all the help in getting the sports pictures.**

**To Campus Security thank's for opening and closing the yearbook room everytime I needed to work.**

**To the housekeeper in Granville thank you for cleaning. Every little bit helped.**

**I've learned a lot in undertaking this project, who to trust, my work ethics, and the mental and physical endurance this project required, but I ensured myself to have fun in the process. I can only hope that you all enjoy and feel satisfied with the end result.**

**Manuel Eugenio Pimentel, 2003-2004 Yearbook Editor**

From far and wide we came,  
North South East West  
From different Continents,  
Islands,  
Some from a Couple miles away,  
We composed  
A complexion Spectrum.

We few  
Set foot on  
This Liberal Arts Institution's  
Foot mat  
Wrapped in  
Naivety, curiosity, and ambition.

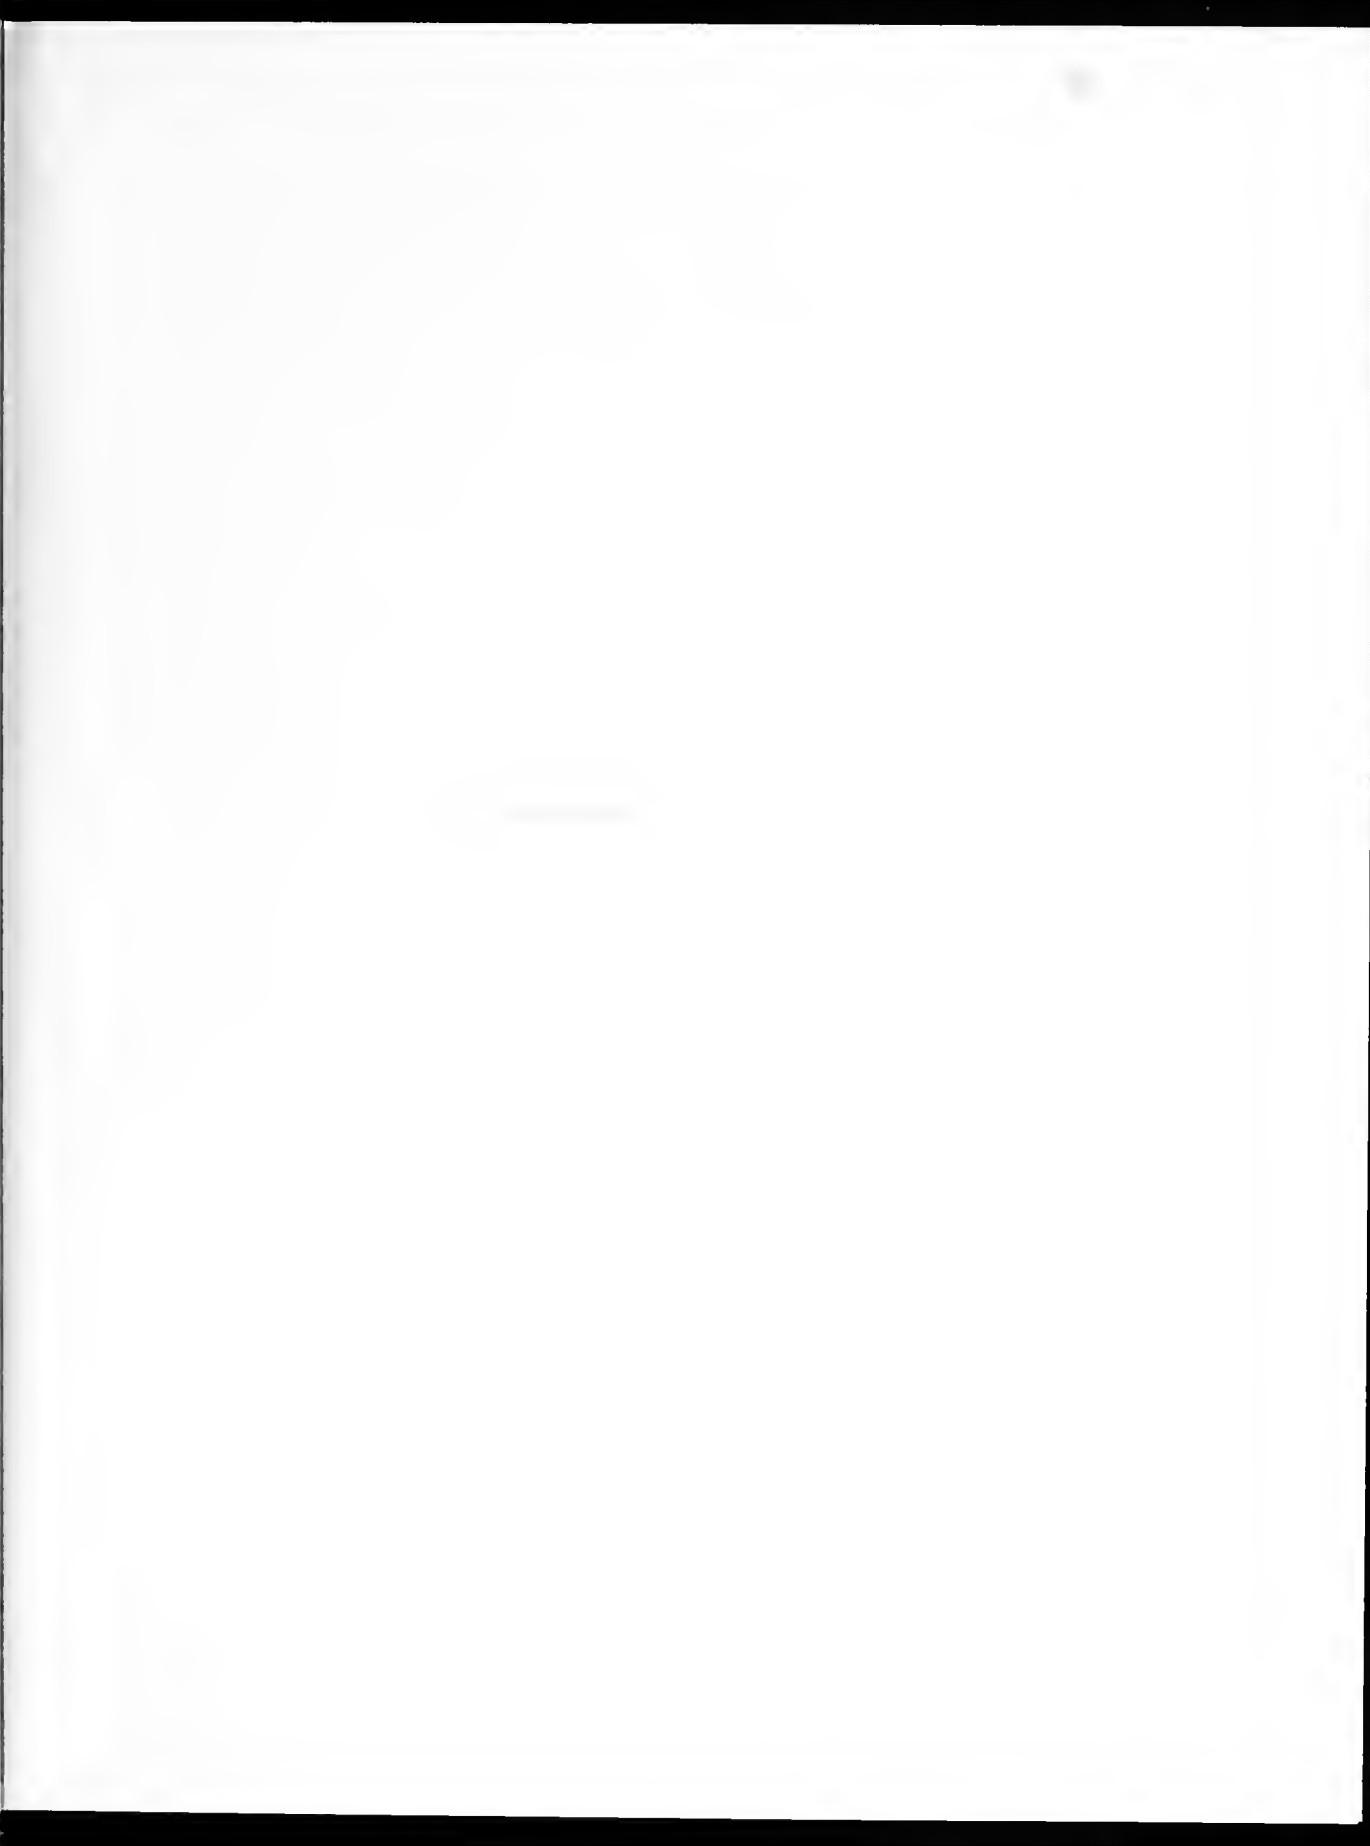

We were accepted  
And charged with the duty  
To respect, represent and defend her.

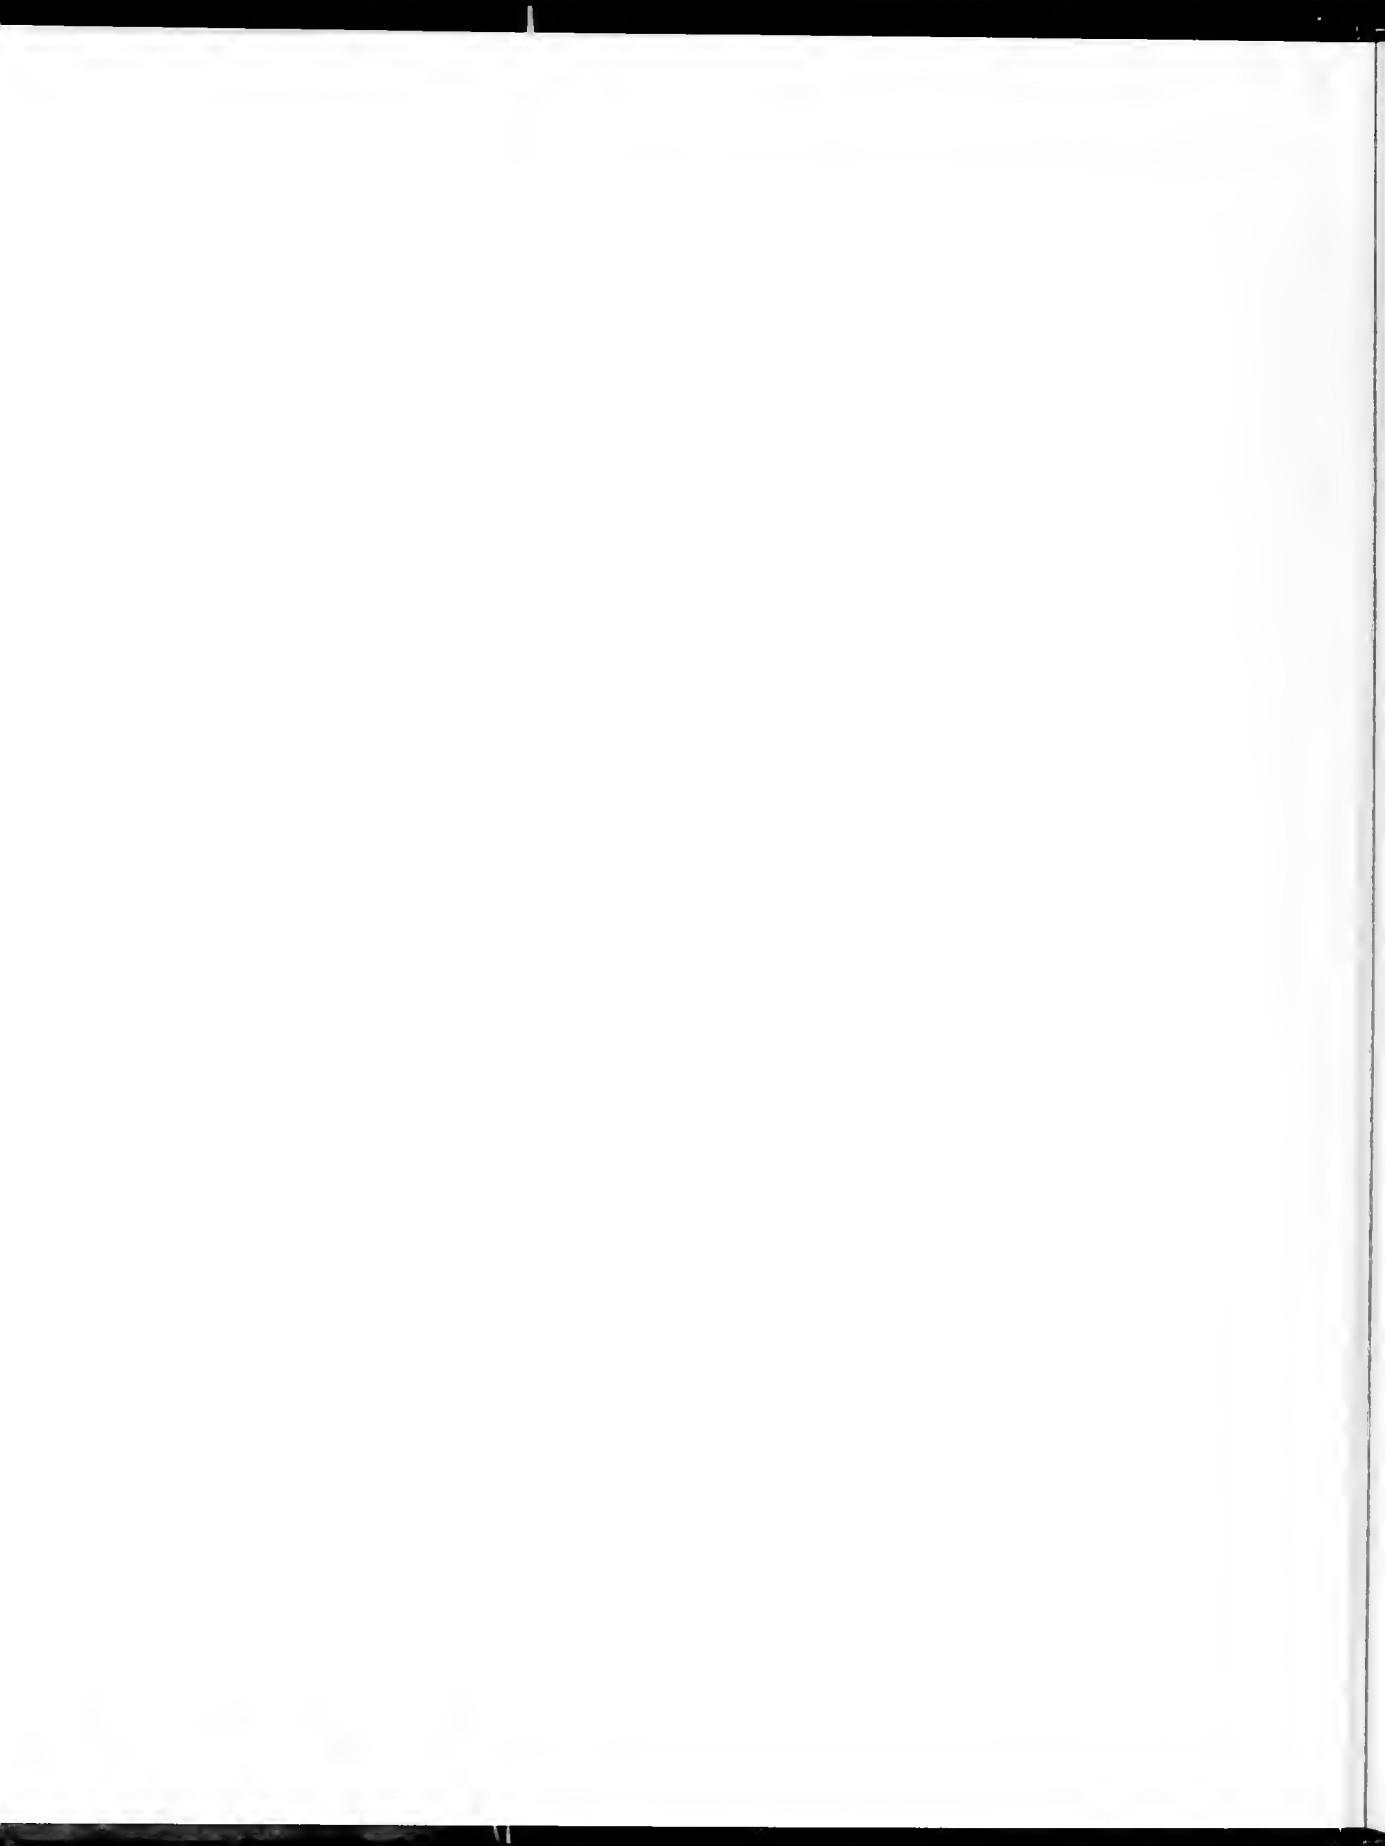

Some fell by the way side  
Others betrayed her,  
But those that remain  
Are noble knights of the court  
The warriors of our faith,  
And have proven their worth.

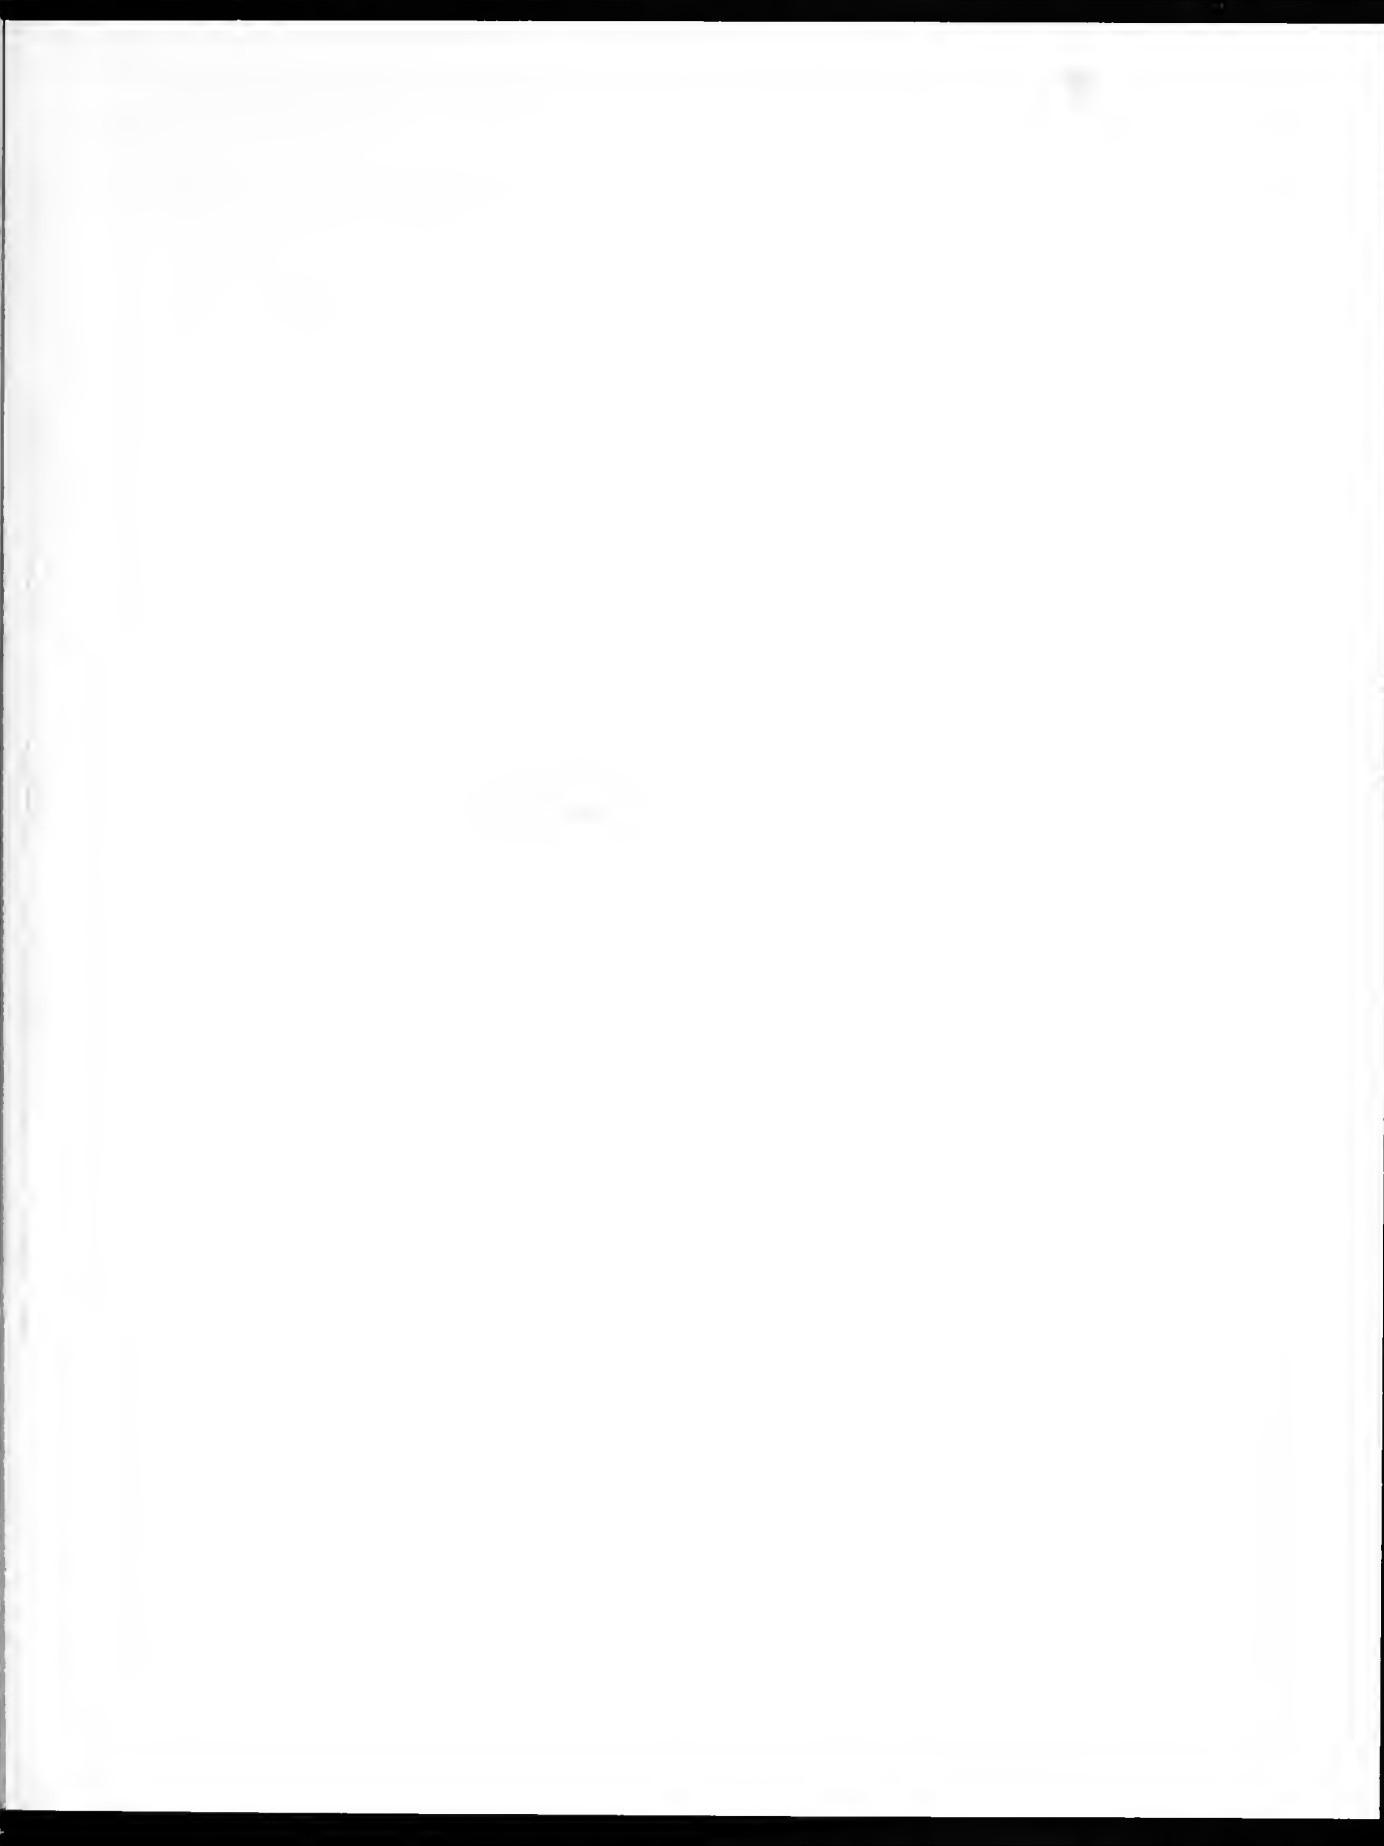

On this hollow ground each day  
We tread  
Over goose droppings  
Metal plates on the causewalk  
Reality TV drama  
Leaking ceiling tiles  
Dorm Fines  
Junk mail in PO box  
A regal mosaic  
Athletic competitions  
Over due papers  
LA, Vardell, MJ, Belk  
Crowded lunch  
Crowded CPU labs  
A spray-painted white wall  
And moody weather.

To master a destiny  
To answer a calling  
To complete a journey  
To fulfill a dream  
Of one day earning a degree.

-Gilbert Ayo Abraham
